Carolinian Woodland Recovery Update

February 21, 2008

Come and be part of our Network. Join us and:

✔ Hear about new pilot projects in Woodland Recovery
✔ Find out about the status of the Carolinian Woodland Recovery Strategy
✔ Discuss how we can work together for implementation
✔ Connect and share ideas with other Recovery Teams

Features:

9am Registration and Refreshments

Morning Sessions: Community and Protected Area Strategies

Afternoon Sessions: Landowner Strategies

Training Session: University of Guelph, How to deliver the Rural Landowner Stewardship Guide

Sign up for the opportunity to update everyone on your projects. Informal updates to be a maximum of 5 minutes. Timeslots are limited, so please book early

4pm Meeting Concluded

Pre-registration by February 14, 2008

Cost: $35 per person includes lunch & resource information

Assistance for this project was provided by the Ontario Ministry of Natural Resources.
