

WILD CHILD AUGUST PASSPORT

Complete All For Endless Summer Fun!

PUDDLE JUMPING

You can spend rainy days outside too! Grab your rain boots and jump over any puddles you find.

Can you jump over 2, 5, or 10 puddles?

PAINTED ROCK GARDEN

Find a few rocks (the flat ones are the best!) and acrylic paint. Use your imagination to paint your rocks and add them to your garden.

LISTENING TO BIRD CALLS

Listen to the sounds the birds make. Record their calls using a mobile device. Then, use the free [Audubon Bird Guide](#) app or Youtube to identify the calls. Can you identify a robin? black-capped chickadee? crow?

SCAVENGER HUNT

Go to your backyard, a park, or any community green space. Can you find all 16 items in [this scavenger hunt](#)?

BUILD A TERRARIUM

Do you have a spare glass jar, container, or plastic bottle? You can make a terrarium by filling this container with rocks, soil, and small indoor plants.

[See instructions.](#)

GROW YOUR SCRAPS

Save the stubs from your onions, potatoes, carrots, and lettuce. Put them in a shallow dish with water. Watch the new growth appear right before your eyes in just a couple days!

[See instructions.](#)

RAINBOW PHOTO CHALLENGE

Use a smartphone or digital camera to take a photo of nature materials that represent each colour of the rainbow.

KNOW YOUR SOIL

What type of soil do you have? [See this activity to find out your soil type.](#) You will need a glass jar, soil from your yard or garden, and water.
